

MOTHER OF ALL RELAYS

TEAM STRUCTURE

RECRUIT TEAMMATES

Runners looking for a team and team captains looking for runners can connect by visiting:

www.htcteammatching.createaforum.com or

<https://www.facebook.com/groups/19545613048/>.

Chat with fellow participants, ask questions, and post to recruit other runners! Discussions range from teams looking for additional runners, to exchanging tips/advice and logistics.

RUNNER SUBSTITUTION

No runner may drop out of the race solely for the purpose of the team substituting a faster participant in their place. If a runner is forced out due to injury or illness, they MAY NOT be reinstated into the team lineup. The team must finish the event with the remaining runners moving forward. No alternates may be added once the team has started. (60 min. penalty if involved in improper substitution.) Runners are to stay in team's rotational sequence unless extenuating circumstances are deemed necessary by race officials. Team rotation questions/concerns will be reviewed, if necessary at the Finish Line. **HTC/PTC allows out-of-order sequencing of teammates for those needing special accommodation (approved by HTC Staff) for safe leg selection and further inclusion of athletes with disabilities. Service dogs are allowed to accompany participants if approved by HTC/PTC prior to event. Please contact office@htcrelay.com for pre-approval process.**

LEGS

When determining who will run each leg, (besides distance and leg rating), Captains should consider the following:

- Time of day runners will encounter each leg
- Leg exposure to sun and/or wind
- Variable weather
- Runner ability/fitness
- Runner familiarity with the area
- Van support
- Runner willingness to run on a gravel and potentially dusty road

Runners on any given leg can experience intense exposure to direct sunlight and may not have immediate access to their team support vehicle. The first three legs from Mount Hood each drop an average of 1300 - 1400 feet in elevation! Runners who push these legs too hard will severely pay for it in their second and third legs, ending up stiff and sore.

TEAM ROTATION

Runners must run in rotation throughout the entire race. This table demonstrates how team's of various sizes should rotate.

MAJOR VAN EXCHANGES

Van 1 and Van 2 are only allowed to exchange runners at Major Van Exchanges (Exchange 6, 12, 18, 24, 30). If a team has less than 12 runners, the ACTIVE VAN must always have six racers (one running and five in the van) and follow this procedure (**example shown is for a team of 10**):

- Van 1 begins at the start line with six racers. Runner 1 begins Leg 1.
- Van 1 runners complete their legs and arrive at Exchange 6 to meet Van 2.
- RUNNERS 1 & 2 MOVE INTO VAN 2. Van 2 is now the ACTIVE van and has six runners.
- Van 2 begins their six legs and meets Van 1 at Exchange 12.
- RUNNERS 7 & 8 MOVE INTO VAN 1. Van 1 is now the ACTIVE van and has six runners.
- Continue in this rotation throughout the entire race.

TEAMS WITH LESS THAN 12 PARTICIPANTS MAY NOT USE NON-MAJOR VAN EXCHANGES TO SWAP RUNNERS BETWEEN VANS.

IMPORTANT

Every person running on race day **MUST** be officially registered, or your team will be disqualified. Add/Subs can be submitted via "Team Clubhouse" (<http://register.hoodtocoast.com>) up until race day. Race day Adds/Subs must be filled out in the HTC App. (\$25 late fee).

RACE RULES

Disqualification

The following rules are for the safety of participants. Violation will result in a time penalty or disqualification.

RULES AND SAFETY ENFORCEMENT

Let's all play by the rules! Race officials will be monitoring the course to enforce relay policies. Any rule infraction reported to Race Officials by two separate teams (via the Penalties form on pg. 85) and deemed valid will result in automatic disqualification from the race course or a time penalty. At the finish line, withholding of race medals and potentially further ramifications may occur. Race Officials may also disqualify teams on the spot without prior warning for what they deem to be serious rule violations.

REPORT TEAMS BREAKING RULES

We will have Staff and Race Officials out on the course monitoring teams for adherence and safety to all rules. However, with 197 miles, we cannot be everywhere at once. We ask teams to help keep the course safe by reporting teams that are violating any HTC/PTC rules. Please report any violations to an exchange leader or at the race information booth at the finish party. Fill out a Penalties form at the Race Information tent at the finish line and note:

- Who (including team # and description of person)
- What
- Where (leg, exchange, other)
- When

GEAR

RACE NUMBERS

Race bibs must be worn at all times. The race bib with the timing chip on the back must be worn by the Leg 36 racer. **Racers emergency contact info MUST be completed on the back of their bib.**

REQUIRED SAFETY GEAR

From 6:00pm - 7:00am, all participants on the course must:

- wear one front and back LED flasher
- carry flashlight, wear headlamp, or wear hat headlight
- wear reflective vest (this must be worn until 9:00am)

All teams can take advantage of digital, contactless check-in by taking a picture of all safety gear within the HTC App. Once approved by admin, your team will be ready to go at your assigned team start time. Participants will be held at an exchange and not allowed to participate without the proper equipment.

HEADPHONES

Participants can use own judgement on the use of headphones. Being aware of your surroundings, including traffic, is critical to the safety of all participants.

APPROVED VESTS

UNAPPROVED VESTS

VEHICLE

NO STOPPING TO DROP OFF RUNNER

No stopping, when vehicles are moving, to drop off a runner/walker. This quickly causes congestion. No parking/dropping off teammates is permitted within 500 feet of an exchange! Vans must obey all exchange signage and issued parking instructions.

NO VEHICLES FOLLOWING PARTICIPANTS

No vehicles will be allowed to follow behind participants. Keep it moving!

NO PARKING PRIOR TO EXCHANGE

No parking is allowed along the road within 500 feet prior to an exchange. Parking is allowed in designated areas only after the exchange point marker. Please park off the road as far as possible, watch for participants, and stay alert to other traffic.

DISPLAY OF TEAM VEHICLE SIGNS

Teams are provided with two van signs for each course vehicle. Teams must display signs in the front and back rear windows of the van in such a way as to be easily seen by race officials. We recommend using masking tape.

VEHICLE REQUIREMENTS

Team vehicles must not exceed 93"W x 276"L x 107"H. Vehicles must be equipped with seat belts for all passengers. No motor homes, buses, or limos allowed. Two (2) team vehicles are permitted on course. On Legs 19-23 and 32-36 only one team vehicle is permitted on the Relay route; the other vehicle must use the alternate handbook routes shown.

CONDUCT

ON COURSE CONDUCT

Any conduct deemed unsafe or unsportsmanlike by Race Officials will not be tolerated. Quiet hours are to be observed from 10:00pm - 6:00am. No loud noise, music, or yelling during quiet hours. No van decorations or team costumes that are overtly suggestive, sexual, or that contain foul language.

OBEY RACE OFFICIALS

Course volunteers, O.D.O.T. and traffic safety officials at exchanges are considered Race Officials. They have authority to disqualify a team (60 min. penalty minimum) for rule violations, abusive behavior, or failure to follow instructions given by volunteers.

NO ALCOHOL, SMOKING, MARIJUANA OR OTHER DRUGS

ANY participant or volunteer (seen by Race Officials or reported by two or more teams) smoking, with open alcoholic containers, marijuana or other drugs on the course will be disqualified. Depending on severity, team members may be banned from subsequent year's participation as well. Save the party for the finish!

USE SLEEPING FIELDS

Participants may only use designated areas to sleep (roped off with caution tape). Tents are allowed at Exch 18 and Exch 24. Sleeping fields available at Exch 30, but no tents. NO sleeping on the ground next to vehicle, only in designated sleeping areas.

PUBLIC NUISANCE RULE

Participants who are reported to have littered, urinated, or defecated on private property will immediately be disqualified. Please use good judgment and be considerate of property owners along the course. Portable toilets and ample garbage containers are provided at each exchange point. **Putting any markings on public property, including spray chalk, is an immediate disqualification.**

RACER

TRAVEL ON THE LEFT

Participants are to travel along the left shoulder of the roadway at all times, unless officially instructed otherwise (1-7 & 14-16).

GROSSLY INACCURATE RACE PACE SURVEY TIMES

Teams that start the race early or finish over 2.5 hours **faster** than their anticipated finish time risk being disqualified and all teammates may be banned from future participation.

3 VOLUNTEERS PER TEAM

Local teams are responsible for ensuring all of their volunteers show up at the appointed time, to their assigned job and fulfill the tasks required. If a volunteer cannot report to duty, it is up to the Team Captain to find an alternate volunteer and make sure they report to the appointed job site. Failure of a volunteer assignment to be fulfilled will result in team DQ.

START TIME VIOLATION

Teams who violate their start time and begin the race at any other start wave will be disqualified.

PARTICIPANT NOT SIDE BY SIDE

Participants must run in single file on open roads.

DRIVER GUIDE

Driving the course requires just as much planning as running the race. Follow the instructions included in the Driver Guide to navigate 197 miles with 3,000 other vans in a 36-hour time period.

DRIVE COURSE BEFORE THE RACE

- Take note of where all turns are located.
- Identify exchange zones and other areas prone to traffic congestion.
- Identify areas where parking is limited and plan accordingly.
- Take note of potential stop areas where the van can provide runner support.
- Know the locations of food and restrooms. Don't violate the law by going on private property.
- Locate gas stations, last fuel stop before Seaside is in St. Helens (Leg 18).
- Establish places, (other than exchanges), where your team vans can meet.
- Become aware of areas where vans won't be in contact with their runner and how to deal effectively.

AREAS RESTRICTED TO ONE VAN

There are at least two areas on the course that will be restricted to one van per team due to narrow roads with limited space for high concentrations of vans.

- Between Exch 18 (Columbia Co. Fairgrounds) and Exch 23 (Nehalem Hwy N, Vernonia) Map shown in handbook (pg 59).
- Between Exch 31 (Olney Grange) and HWY 101 in Seaside (Leg 36). Map shown in handbook (pg 74).

Shortcut route can be found in the handbook between Exchanges 12 and 18 (pg 52).

COURSE GUIDELINES

- **Exchanges** are marked by chalk and exchange number flags. Portions of this course do feature gravel stretches, so bring bandanas/painter's masks.
- **Waiting runners** who will run the next leg should step out of the CHUTE into the EXCHANGE ZONE as your runner approaches. Runners finishing must exit the exchange zone promptly.
- **All spectators** MUST remain on the RIGHT SIDE of the road. Runners are to run along the left side of the road except as indicated in the Team Handbook (legs #1 through #7 and legs #14 through #16).
- **No team members** are allowed to cross highways or streets to give aid. Vans must pull over to that side of road and park.
- **No parking/stopping** within 500 feet of an exchange! Don't drop off teammates near the exchange zone. 30 minutes penalty!
- **Vans must obey** all parking signage and parking instructions issued by Race Officials.

The race course will officially **close Saturday evening at 9:00pm**. Any teams still on the course at that time are requested to either discontinue the race, or finish by running simultaneous runners (**only if instructed by Race Officials** and given a 'LeapFrog' to turn in at the Finish).

If your team has been honest in supplying race pace times, everyone should finish no later than 9:00PM. This means some exchanges (33, 34 and 35) may close before 9:00pm due to scheduling.
